LESSON TENTH: ON THE EFFECTS OF THE REDEMPTION

Many who were born in the 1960s or before will remember the Baltimore Catechism, one of the most comprehensive teachings of the Catholic Church.

In order to "refresh" ourselves, we will reprint a section over the next months.

102. Q. Which are the chief effects of the Redemption? A. The chief effects of the Redemption are two: The satisfaction of God's justice by Christ's sufferings and death, and the gaining of grace for men.

103. Q. What do you mean by grace? A. By grace I mean a supernatural gift of God bestowed on us, through the merits of Jesus Christ, for our salvation.

104. Q. How many kinds of grace are there? A. There are two kinds of grace, sanctifying grace and actual grace.

105. Q. What is sanctifying grace? A. Sanctifying grace is that grace which makes the soul holy and pleasing to God.

106. Q. What do you call those graces or gifts of God by which we believe in Him, hope in Him, and love Him? A. Those graces or gifts of God by which we believe in Him, and hope in Him, and love Him, are called the Divine virtues of Faith, Hope, and Charity.

107. Q. What is Faith? A. Faith is a Divine virtue by which we firmly believe the truths which God has revealed.

108. Q. What is Hope? A. Hope is a Divine virtue by which we firmly trust that God will give us eternal life and the means to obtain it.

109. Q. What is Charity? A. Charity is a Divine virtue by which we love God above all things for His own sake, and our neighbor as ourselves for the love of God.

110. Q. What is actual grace? A. Actual grace is that help of God which enlightens our mind and moves our will to shun evil and do good.

111. Q. Is grace necessary to salvation? A. Grace is necessary to salvation, because without grace we can do nothing to merit heaven.

112. Q. Can we resist the grace of God? A. We can and unfortunately often do resist the grace of God.

113. Q. What is the grace of perseverance? A. The grace of perseverance is a particular gift of God which enables us to continue in the state of grace till death.

GRIEF TO GRACE HEALING RETREATS: Healing the Wounds of Abuse is a psychological and spiritual program for anyone who has suffered degradation or violation through physical, emotional, sexual, or spiritual abuse. It is appropriate for those who have endured sexual abuse, rape, incest, neglect, or other forms of traumatic violation in childhood, adolescence, or as an adult. It is also suitable for those who have suffered abuse by a minister or a member of the clergy. Grief to Grace is a process for helping victims of abuse to discover spiritual healing and transformation. This program was created to end the isolation and secrets of abuse within a retreat process that is fully centered upon the person and presence of Jesus Christ, the Divine Physician. By entering into an intimate and powerful journey through the Sorrowful Mysteries, participants are gently invited to unite their own suffering with the passion of Jesus.

Grief to Grace is a journey of Faith. The Living Scriptures, together with journaling, group activities, therapeutic facilitation, cognitive restructuring, discussions and grief work, offer an effective healing process grounded in Jesus Christ, the Word of God, and the Sacraments. Grief to Grace is a powerful psychological and spiritual journey providing safety and hope in the midst of emotional chaos. It is a pilgrimage to discover the love, tenderness, belonging, safety, joy, and peace that are often missing from the stories of abuse victims."
