IS YOUR MARRIAGE VALID? If you were married civilly, that is not in the Catholic Church before a priest or deacon, it might not be a valid marriage. Some couples believe that a marriage before a Justice of the Peace or a non-Catholic minister is valid. For a marriage to be valid in the Catholic Church, the marriage must be in a Catholic Church or Chapel and officiated by an authorized Catholic priest or deacon along with 2 witnesses. (There are limited interfaith exceptions with proper permission.) *We invite you to speak with one of our priests if there are any questions or if indeed you wish to validate your marriage. The process can be very simple and your marriage will now be blessed by the Church.*

MARRIAGE ENCOUNTER - JULY 15-16, 2017 "But some seed fell on rich soil, and produced fruit, a hundred or sixty or thirtyfold. Whoever has ears ought to hear." Enrich the soil of your marriage on a Worldwide Marriage Encounter Weekend. **For more information contact Janet and Mike Turco 973 427-7016 or 609 335 - 6880 (njwwme@peoplepc.com) or go to nnjwwme.org.**
